Dear Fayetteville Altrusans and Friends,

Happy 2026! I hope the holiday season has brought you joy and that you're renewed as we start another year together!

Today is the day for resolutions. As I was thinking about resolutions this year, I ended up searching for the origin of the word resolution. According to [etymonline.com](http://etymonline.com), resolution comes from the Latin word "resolutionem" and meant "the process of reducing things into simpler forms." Over time, the word came to mean a "method of problem-solving" (such as for math problems) and continued to evolve to mean "acting with fixed purpose." Eventually, we've ended up with our New Year's resolutions to better ourselves. I find that all of these meanings are helpful when thinking about my own resolutions for 2026. Whether you're resolving to reduce yourself, solve problems, or act with fixed purpose, may all your resolutions be successful!

As we start 2026, please be aware of the end of two of our 2025 activities.

- First, the Nuts and Greenery fundraiser. A huge thanks to LaNita for all her work on these fundraisers. She has coordinated with multiple companies, placed and received orders, and let us use her office for delivery, storage and pick-up! She has done a fantastic job this year, and the past several years! Please be ready to make changes to checks this month so that deposits can be finalized.
- Second, we're finishing our TUGS+ collection. We'll bring items to 7Hills in early January, so our lunch meeting on January 8 will be the last opportunity to donate items.

I look forward to seeing what the new year brings for our club and community!

Margaret

- Faye presented information on Jim Blair. After citizens approved a sales increase in 2000, his donation in honor of his late wife, grandmother, and aunt in 2002 helped get the Fayetteville Public Library built. Our service project for the month was to donate books and magazines for the Elkins Senior Center.
